

Quality Policy

Mankind is Committed for the delivery of Affordable and Quality Products to patients and customers, a fundamental element of our Company's Mission and Vision.

- ☑ Mankind maintains a compliance on quality regulations, codes and standards for its manufacturing sites, including effective oversights of contract manufacturing sites.
- ☑ Deliver high quality products that consumers can trust.
- ☑ Continuous improvement and innovation to improve our Facilities, Products, Processes and Procedures.
- ☑ All Employees have the appropriate education, training, skills and experience to carry out their work competently.

Mankind Quality Policy is to create a sustainable quality culture for continual improvement. Our performance is regularly reviewed to ensure expectations of high quality standards for our patients and customers.
